Continuation of Substance of Interview including description of the general nature of what was discussed: On 9/16/04 applicant was asked to clarify the definition of the word "span." It was explained that "span" referred to the length of a line segment drawn between the respective centers of two cluster. Applicant was also asked if element 142 in Fig. 10 (con'd) was intended to reflect the previous clarification, in regards to the definition of the word "span," and the applicant agreed.

On 9/24/04 an examiner's ammendment was proposed to put the application into conditions for allowance and the applicant agreed to said proposal. See the attached Examiner's Ammendment.
